RE: Request for placement on the City Council Agenda

Dear Ms. Kost:

I will begin by introducing myself, I am Janet Anders, President of the Lynchburg Area Women's Bowling Association. I am writing this letter to request a placement on the June 10, 2003 agenda for the city council meeting.

This request is being made because the bowling association is very concerned over our drop in membership. One of the main factors in the cost of bowling. We feel the amusement tax, which is imposed on bowling, is an added cost that need not be there. **Bowling is a sport** and we would like the opportunity to voice our reasons to the city council.

I look forward to receiving a reply from you in regard to this request.

If you need further information, please let me know. I can be reached at the above letterhead address and phone number.

Sincerely yours,

A handwritten signature in cursive script that reads "Janet Anders". The ink is dark and the signature is fluid, with a large loop on the "J" and a trailing flourish on the "s".

Janet Anders, President LAWBA
